General Information

- Passport applications are processed by appointment only. Appointments can be made online via our booking system: <https://uk.diplo.de/uk-en/02/pass>
- One appointment is required per applicant
- There are two types of passports for children under the age of 12: biometric passports (valid for 6 years) or child passports (valid for 6 years but cannot be issued beyond the child's 12th birthday). Child passports are neither recognized nor accepted for travel to certain countries (including, but not limited to Afghanistan, Kuwait, Sudan), and require the issuance of a visa to enable travel to certain other countries (including, but not limited to USA). Children must apply for biometric passports once they turn 12
- The child and his / her parents / legal guardians must **all come to the Embassy in person** in order to apply for a passport. Should one parent / legal guardian be unable to attend the

appointment in person, a completed and certified declaration of consent will need to be provided. The consent form is available for download on our website.

(Further information on certifications in the UK and abroad can also be found on our website).

In the event that one parent has sole custody of the child, legal custody documentation (custody order from German Family Court / British court order / "Negativbescheinigung" from German Youth Welfare Office) will need to be provided

- Parents with upcoming travel requirements can keep their child's valid passport / ID card while the new documents are being processed. As soon as the new passport / ID card has been processed, parents will receive an email notification from the Embassy requesting the return, by post, of their child's valid passport and /or ID card. These will be invalidated and returned to the parents together with their child's new passport and/or ID card
- A certified translation will need to be provided should documentation / certificates be in any language other than German, English or French
- Current consular fees can be found on our website: <https://uk.diplo.de/uk-en>
Fees can only be paid with a debit / credit card (MasterCard or Visa)

Name Declaration

In certain cases, a certificate of name declaration would need to be obtained for a child before he / she could apply for a passport. Please refer to our website for further information: <https://uk.diplo.de/uk-en/02/naming-law/child>. Please do not book an appointment for a passport if you are required to obtain a certificate of name declaration for your child. In this case, we would kindly ask you to contact our German naming department via the contact form on our website

Applying with Honorary Consuls

Applications can also be processed with the following honorary consuls: Barrow upon Humber, Belfast, Bristol, Cardiff, Leeds, Liverpool, Plymouth and Southampton (for applicants living within London's consular district); or Aberdeen and Newcastle (for those living within Edinburgh's consular district)
